DEPT MR 2505
PO BOX 55819
Boston, Maine, 02205-5819

Dear Mr. Musgrave

This letter is responsive to your Freedom of Information Act request dated January 14, 2013 for records on the use of aerial drones and UAV's which was received in our office on January 25th 2013 and assigned case #FA-13-0002.

"Drones" owned and operated by the Oregon Army National Guard are currently only authorized to operate from the Pendleton Regional Airport. Supporting documentation is attached.

To date, the Oregon Army National Guard has not loaned, or allowed another agency, (*government or commercial*) to operate UAV, UAS or "drones" owned by the Oregon Army National Guard.

The Department of the Army, regulation 95-23 Unmanned Aircraft System Flight Regulations extensively regulates personnel authorized to fly and/or operate Army Unmanned Aircraft Systems, and describes flight logging requirements. This regulation is attached.

If you have any questions, please contact the undersigned at 1776 Militia Way, Salem Oregon 97301, by phone at 503-584-3460, by email at nicolas.a.marks2.mil@mail.mil

Sincerely,

NICOLAS A MARKS
